To the Board of Directors  
United Way of Southern Nevada, Inc.  
Las Vegas, Nevada

We have audited the accompanying financial statements of United Way of Southern Nevada, Inc. (a nonprofit organization) which comprise the statements of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Southern Nevada, Inc. as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities: United Way of Southern Nevada, Inc. (the Organization or United Way) is a not-for-profit corporation governed by a local volunteer Board of Directors. The Organization was incorporated in 1957 and its operations are primarily in Clark County. The Organization is one of more than 1,200 local, independent United Ways across the country.

United Way of Southern Nevada envisions a community where all children and families can succeed through a quality educational foundation, financial education and healthy lives.

United Way of Southern Nevada's mission is to improve lives and builds a stronger community by uniting individuals, organizations and resources with the passion, determination and expertise needed to solve problems.

The Organization achieves its mission, through its Community-based Agenda on improving community conditions, by addressing root causes and creating lasting change. This unique methodology, functioning in complete harmony with the vision and mission, is referred to as Community-based Solutions Planning and Implementation and has been in progress for the past several years.

The Organization engages the community in identifying the underlying causes of the most significant local issues, developing strategies and mobilizing the required financial and human resources to address them, and measuring the results. United Way of Southern Nevada is part of a worldwide movement to create communities where all children and families can succeed through a quality educational foundation, financial education and healthy lives. The Organization also acts as the fiscal agent for several State of Nevada's grant programs benefiting the Southern Nevada area.

United Way's Community Development program is responsible for managing the Community-based Agenda initiatives including early education, healthcare and community assistance programs. These programs are run by United Way volunteers and are staffed by United Way employees. The Organization's volunteers and staff are also responsible for accrediting local health and human services agencies, supporting the annual distribution of campaign proceeds to local agency programs, monitoring program results, and providing technical assistance to groups receiving or seeking funding from the Organization. Additional activities include advocacy, public policy involvement, development and support of strategic initiatives and community leadership.

Annual fundraising campaigns are conducted throughout the fiscal year to support programs primarily in the subsequent fiscal year. Campaign contributions are used generally to support the Community-based initiatives, a variety of local health and human services programs, and to pay the United Way's operating expenses.

NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)

Nature of Activities (continued):

The Combined Federal Campaign (CFC) was established by the Federal government in 1961. The CFC is the only authorized charitable fund-raising campaign for Federal employees, both civilian and military. A Local Federal Coordinating Committee (LFCC) comprised of local Federal employees, authorized by the CFC regulations, organizes the CFC. The Organization was appointed by the LFCC as the Principal Combined Fund Organization (PCFO) to administer the local campaign under the direction and control of the LFCC and the U.S. Office of Personnel Management. In addition to administering the campaign as the PCFO, the Organization also applies annually to the CFC as a federation. As a CFC federation, the Organization honors designations to each member organization by distributing a proportionate share of receipts based on donor designations to each member.

Contributors may direct their pledges to qualified 501(c)(3) organizations, United Way's Community Impact Fund or to a United Way Community-based Agenda initiative including education, health and financial stability. Specific donor designated pledges are assessed both a fundraising and a processing fee based on actual historical costs in accordance with United Way Worldwide membership standards as outlined in their publication titled *United Way of America Implementation Requirements for Membership Standard M (Cost Deduction for Designated Funds)*.

Revenues related to the Community-based Agenda programs are included in campaign results and funded program distributions in the accompanying Statement of Activities. Specific contributor designations are not included in revenues, gains, other support, or in funded program distributions in the Statements of Activities in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-605 and subsections, as United Way passes these contributions to the donor-designated party.

Commitments to distribute funds to United Way Community-based Agenda initiatives are dependent on the results of United Way's community campaign. United Way historically provides agencies with anticipated funding commitments in advance. The commitment is recorded as a liability and an expense upon approval by the Board of Directors. Generally, commitments are paid over the calendar year, on a monthly or quarterly basis, following Board approval. Future support and activities and realization of its pledges receivable could be affected by adverse changes in economic conditions in this area.

Grant revenue from foundations is recognized in the period a liability is incurred for eligible expenditures under the term of the grant. Grant funds received prior to expenditure are recorded initially as an advance from the grantor under liabilities.

**UNITED WAY OF SOUTHERN NEVADA, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**JUNE 30, 2015 AND 2014**

NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)

Basis of Accounting: The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and with the financial statement standards of United Way Worldwide. United Way Worldwide standards are required for membership and fully comply with the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) applicable for not-for-profit organizations. The accompanying financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation: Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under FASB ASC, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are available for the support of the Organization's activities.

Temporarily restricted net assets represent funds subject to donor-imposed restrictions which will be met either by the Organization's actions or the passage of time. Temporarily restricted net assets are reclassified to unrestricted net assets when the restrictions are met or have expired. These reclassifications are reported in the Statement of Activities as net assets released from restrictions.

Permanently restricted net assets represent endowment funds subject to the restrictions of gift instruments requiring the principal to be maintained intact and only the investment income to be used for the operations of the Organization. Investment income from certain endowment funds is restricted for specified purposes.

Cash and Cash Equivalents: Cash and cash equivalents include both unrestricted and restricted cash. The Organization considers all highly liquid debt instruments purchased with an original maturity of twelve months or less to be cash equivalents.

Use of Estimates: Timely preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of any contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from management's estimates. Specifically, the allowance for estimated uncollectible pledges (Note 3) is susceptible to revision in the near term.

Investments and Investment Return: Investments are stated at fair value based upon current market rates and prices (Note 10). Investment return includes interest, dividends and all realized and unrealized investment gains and losses net of expenses (Note 10). Investment and investment return is classified as unrestricted, except if otherwise designated by the donor.

**UNITED WAY OF SOUTHERN NEVADA, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**JUNE 30, 2015 AND 2014**

NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)

Pledges Receivable: Annual campaign pledge contributions consist of unconditional promises to give by donors (Note 3). Unconditional promises to give that are expected to be collected during the following fiscal year are recorded at face value. Pledges receivable are net of allowance for uncollectible pledges.

Allowances for Uncollectible Pledges: The allowance for uncollectible pledges is computed based upon a three-year historical average and management's consideration of current economic factors that could affect pledge collections (Note 3). Using these criteria, the provision was determined to be 5.2% and 5.2% of gross campaign pledges as of June 30, 2015 and 2014, respectively. After two years, uncollected campaign pledges are written off for the annual pledge campaign.

Property and Equipment: Property and equipment (Note 4) owned and used in operations are included in unrestricted net assets at cost, or if donated, at fair market value at the date of donation. All expenditures for property and equipment in excess of \$500 are capitalized at the time of purchase. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets, ranging from three to thirty one years. Total depreciation expense amounted to \$111,303 and \$121,939 for the years ended June 30, 2015 and 2014, respectively.

Gifts of Long-Lived Assets: The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Income Tax Status and Unrelated Business Tax: The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and is generally exempt from income taxes on related income pursuant to the appropriate section of the Internal Revenue Code. It is classified as a publicly supported charitable organization under IRC Section 509(a)(1); therefore, donations qualify for maximum charitable contribution deduction under IRC Section 170(b)(1)(A)(vi).

Donated Services: Donated services are recognized as contributions in accordance with FASB ASC 958-605 and subsections. The estimated fair value of donated services included in the financial statements consists of various services totaling \$123,647 and \$238,924 for the years ended June 30, 2015 and 2014, respectively. For the year ended June 30, 2015, donated services of \$80,224 and \$43,423 were recorded as fundraising expense and program expense, respectively, in the Statement of Functional Expenses. Donated services consist of advertising services and other totaling \$31,443 and \$92,204, respectively. For the year ended June 30, 2014, donated services of \$118,209 and \$120,715 were recorded as fundraising expense and program expense, respectively, in the Statement of Functional Expenses. NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)

Donated Services (continued):

The Organization pays for substantially all services that would otherwise meet the requirements to be recorded as a contributed service. A substantial number of unpaid volunteers have made significant contributions of their time to the Organization's programs and fundraising campaigns. These donated services are not reflected in the financial statements since they do not meet the FASB ASC 958-605 and subsections criteria for recognition as contributed services.

Revenue Recognition: All current campaign contributions are considered to be available for unrestricted use unless specifically restricted by the donor for a specific program or time period. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as temporarily restricted (Note 13) or permanently restricted, as appropriate.

The Organization reports contributions of cash and other assets as restricted support if the contributions are received with donor stipulations that limit the use of the donated assets. Donations designated for remittance to specific organizations or agencies are excluded from contributions revenue, except for a service charge, and accounted for as agency transactions and obligations. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions, unless the donor restriction is met within the same accounting period. In this case, the contribution is recorded as an increase in unrestricted net assets.

Gifts of cash or other assets that must be used to acquire land, buildings and other long-lived assets are reported as restricted support. Absent donor stipulations about how long those assets must be maintained, the Organization reports expirations of donor restrictions when the acquired long-lived assets are placed in service.

Contributions are recognized as support in the Statement of Activities in the period, including bequests and unconditional pledges receivable, at their estimated net realizable value, discounted to present value if due in more than one year. Uncollectible pledges receivable, if any, are charged as a reduction of revenue in the Statement of Activities. Bequests are recognized at the time the Organization's right to them is established by a court and to the extent the value of the proceeds is subject to reasonable estimation.

Functional Expenses: The majority of expenses can generally be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses by function have been allocated among program and supporting services classification based on the time study allocation method and on a direct cost basis. This is consistent with the standards for allocation of functional expenses established by FASB ASC and United Way Worldwide. Additional information about the functional allocation is as follows:

Temporary restricted net assets were underfunded by \$300,477 and \$424,102 during the year-ended June 30, 2015 and 2014, respectively. This is due to reduced revenue from one time donors and reduced unrestricted campaign revenue due to large corporate donor decisions to reduce staffing and/or eliminating operations in Southern Nevada because of macro-economic conditions, impacting unrestricted cash position for the Organization. Management took action to control and reduce operating expenses and other expenditures, and as a result, reduced spending year over year to offset the revenue shortfall, except for the underfunded amount. Further expense controls and revenue opportunities are in place for the subsequent fiscal year.

NOTE 14. COMMITMENTS

During the year ended June 30, 2015, United Way served as the fundraising and fiscal agent for the Southern Nevada Combined Federal Campaign (CFC), which is the principal fundraising activity for all U.S. governmental departments and agencies in Southern Nevada. During 2015 and 2014, CFC expenses totaled \$104,824 and \$106,446, respectively, for campaign and administrative support provided by United Way. These expenses were reimbursed to United Way. **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
United Way of Southern Nevada, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of Southern Nevada, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 18, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered United Way of Southern Nevada's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way of Southern Nevada's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, we identified a certain deficiency in internal control, as described in the accompanying schedule of findings and questioned costs as item 2015-002 that we consider to be a significant deficiency.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether United Way of Southern Nevada's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

To the Board of Directors  
United Way of Southern Nevada, Inc.

**Report on Compliance for Each Major Federal Program**

We have audited United Way of Southern Nevada's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of United Way of Southern Nevada, Inc.'s major federal programs for the year ended June 30, 2015. United Way of Southern Nevada, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of United Way of Southern Nevada, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about United Way of Southern Nevada, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of United Way of Southern Nevada, Inc.'s compliance.

***Opinion on Each Major Federal Program***

In our opinion, United Way of Southern Nevada complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

***Other Matters***

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as item 2015-001. Our opinion on each major federal program is not modified with respect to these matters.

Certified Public Accountants  
**20 YEARS & COUNTING**

United Way of Southern Nevada, Inc.'s response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. United Way of Southern Nevada, Inc.'s response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

### **Report on Internal Control Over Compliance**

Management of United Way of Southern Nevada, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered United Way of Southern Nevada, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of United Way of Southern Nevada, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as item 2015-001 that we consider to be a significant deficiency.

**FINDINGS AND QUESTIONED COSTS-MAJOR FEDERAL AWARD PROGRAMS AUDIT  
(CONTINUED)**

*Condition:* The Organization's review procedures did not detect that an incorrect date was used for one background check (out of 8).

*Cause:* The Organization did not have proper review procedures in place to detect that the background check was initiated after the AmeriCorp member's enrollment date. The enrollment date for the member was September 3, 2013 and the background check was performed on September 6, 2013.

*Effect:* The Organization could be potentially putting at risk vulnerable populations at the Organizations they are serving.

*Questioned Costs:* None

*Recommendation:* Management should implement sufficient review procedures during the eligibility process to determine that the background checks were implemented prior to the enrollment date for the AmeriCorp member.

*Management's response:* We agree with the auditors' comments, the Organization assumed that the background check was performed timely, by providing the AmeriCorp member with the paperwork prior to their enrollment date. Management is aware that the background check must be initiated by the AmeriCorp member prior to their enrollment date, for it to be performed timely. Management has implemented a procedure that requires review of all new AmeriCorp members to ensure that background checks are initiated prior to their enrollment date. The procedure requires the completion of a pre-enrollment checklist for each new member. The new procedure is currently in effect.

**FINDINGS AND QUESTIONED COSTS-FINANCIAL STATEMENT AUDIT (CONTINUED)**

*Recommendation:* Management should implement a plan which increases cash flow to cover the shortfall in the restricted balance.

*Management's response:* We agree with the auditors' comments. The underfunding issue is due to reduced revenue from one-time donors and reduced unrestricted campaign revenue due to large corporate donor decisions to reduce staffing and/or eliminating operations in Southern Nevada, impacting unrestricted cash position for the Organization. As part of the 2015/16 budget, management implemented a plan that increases cash flow. Senior Management took action to further control and reduce operating expenses and other expenditures. In addition new revenue opportunities have been identified and put into action for the 2015/16 fiscal year.

*Current status:* There are two grants that overlap in the fiscal year which results in selections being made from two different populations. For the current year testing, two selections were made from the grant that ended August 31, 2014. For one member, the national sex offender registry check was performed after the member's start date. This finding is repeated in the current year as 2015-001. For the subsequent grant period, the Organization implemented procedures to prevent the member starting before all background checks have been initiated.
