## TESTIMONIALS FROM OUR NONPROFIT PARTNERS:

“Through this grant we have received from United Way, we were able to help [our client] stay in her home, provide food assistance, and give her and her family some financial relief and hope during these trying times.”

– *Ayden’s Army of Angels*

“[Our client] was devastated that her husband, head of household, was diagnosed with COVID-19, and her family was quarantined by doctor’s order ... We were able to provide her family with food to get them through that difficult time and financial assistance to keep them from eviction.”

– *Jewish Family Service Agency*

“Due to COVID-19 closure of casinos and non-essential businesses, both \*Robert and \*Lena have been unable to work and provide for themselves and their 8-year-old son. ... \*Robert continues to express his gratitude for the rental assistance he and his family received during this difficult time.”

– *Family Promise of Las Vegas*
