Our community will recover because of YOU
When you give directly to United Way of Southern Nevada, your dollar supports the entire community not just one cause.
Your investment provides help and support to hundreds of thousands of individuals year-round so they can survive and thrive.
When our community was impacted by COVID-19, we faced unprecedented challenges—and we continue to meet them, head on.
COVID-19 stretched the social services sector to its limits, pushing some of our most vulnerable friends and neighbors even further into crisis.
Because of this crisis, our community faces growing challenges.

- 447,000+ people facing food insecurity
- 6,500+ requests for rent & housing
- 33.5% highest unemployment in USA
- $5M+ in requests for front-line services
United Way of Southern Nevada knew a community response was needed.

We convene over 200 local government, nonprofit and business leaders every week to coordinate efforts and work efficiently and effectively to fill gaps in services.

- Raised over $2.3M to provide food, shelter and utility assistance.
- ALL donations go directly to provide support.
- Includes support from the Nevada Attorney General’s office with a $1.6M commitment for rent and mortgage assistance.
Your generosity makes a real difference in people’s lives.

We will connect approximately 127,000 individuals to food, shelter and utility assistance.
United Way Southern Nevada and donors have helped provide shelter, food and utility assistance:

- 1,207 months of rent and mortgage assistance
- 44,000+ people fed
- 19,990 emergency shelter nights
- 653 utility bills paid

United Way of Southern Nevada is a founding partner of the Delivering with Dignity program. It ensures that vulnerable individuals receive meals while local restaurants are being utilized.
United Way of Southern Nevada helps students prepare to start school, graduate and get a good job:
We’re getting through this together.

But there are more challenges ahead.
Southern Nevada now has one of the highest unemployment rates in the nation, and this crisis will continue to impact our community and our world for months and years to come.
We can’t predict how the future will unfold.

We know there will be increased demand for the services and support that so many people rely on.
- People who are unemployed will need help getting back to work.
- Students will need support to graduate and prepare for a career.
- Many will need help accessing food, shelter and utility support.
He still needs you.

Finding out my 5-year-old son Benji had cancer again while we were in the midst of a business shutdown and global pandemic was just overwhelming. I am so grateful for the financial assistance from UWSN that has enabled us to stay in our home and give us hope during this horrible time.

Benji – UWSN EACN Recipient
Southern Nevada is stronger together.

We need you to help make our community thrive.
Southern Nevada is stronger together.

The stronger the sense of connection—local people working together—the more resilient the community.

Please help Southern Nevada recover and become stronger.
When you give, you sustain people, families and entire neighborhoods.
Our promise to you

United Way of Southern Nevada is committed to putting your dollars to work in the most effective way possible.
Our promise to you

We will:
• Help our community respond, recover, reimagine and rebuild
• Partner with local corporations, nonprofits and government agencies
• Leverage research and advocate for our future
• Provide ongoing emergency funding
• Act as a trusted partner in administering federal funding
• Provide cradle-to-career support to help children and individuals thrive
