

SERVICE TO GO

United Way of Southern Nevada

ON-SITE VOLUNTEER OPPORTUNITIES

Engage your team and make a difference in our community.

United Way has a wide variety of “service to go” volunteer experiences we can bring to you. All events include United Way staff-led logistics, kit packing setup, and a recipient agency speaker. Your time and effort get put to work in our community, as all kit recipients are United Way partner schools and agencies.

Full-Service On-Site Options

Back to School Kit (\$10/kit) - Help local students by supplying resources such as books, crayons, pens, backpacks and other essentials needed for learning. Minimum 200 kits.
