MOBILIZING OUR COMMUNITY

As a nonprofit organization with over 63 years of experience in uniting our community to create positive change, we have mobilized the community and acted quickly to develop solutions for Southern Nevada. We continue to stand in the center of our community and **provide resources to help our most vulnerable residents during these challenging times.** Together, we help Southern Nevada **respond, recover, reimagine and rebuild.**

HELPING INDIVIDUALS RESPOND AND RECOVER

Since the inception of the Emergency Assistance and Community Needs (EACN) Fund on March 18, 2020, United Way of Southern Nevada has to date deployed **\$2.3 million dollars** to **34 local organizations** providing support to individuals and families affected by COVID-19 in Southern Nevada.

"Finding out my 5-year-old son Benji had cancer again while we were in the midst of a business shutdown and global pandemic was just overwhelming. I am so grateful for the financial assistance from United Way of Southern Nevada that has enabled us to stay in our home and give us hope during this horrible time."
